

45th ANNIVERSARY
1 9 6 4 - 2 0 0 9

Equipment & Capabilities

PRE-PRESS

- 8 - MacPro Workstations
- 3 - Windows Workstations
- 1 - 6MB Down/Up Internet Line
- 1 - 4TB Art Management Server
- 1 - Kodak Approval Proofing System
- 1 - 32"x 44" Scitex Imagesetter with Harlequin Rip
- 1 - 62"x96" Barco Gigasetter Imagesetter
- 1 - ECRM 18" Roll Imagesetter (3600 DPI)
- 1 - 48" x 120" Process Camera
- 1 - 76" x 150" Luscher Direct to Screen Imager

DIGITAL

- 2 - Durst Rho 800 Presto Roll/Sheet Press 6 Color Plus White
- 1 - FujiFilm Aquity Advance X2 96"x 120" Flatbed w/roll option
- 1 - 60"x 96" Inca Eagle UV Digital Flatbed Screen Press
- 1 - 60"x 120" Inca Columbia UV Digital Flatbed Screen Press
- 1 - HP Scitex XL1500 16.4 ft. wide/Roll Printer
- 1 - HP Indigo s2000, 12"x18" with variable data capabilities
- 2 - HP 5000 60" 6 Color Inkjet Printer
- 1 - HP z3100 GP Photo 44" 12 Color Inkjet Printer
- 1 - 48" Graphtec Plotter

SCREEN-PRINTING

- 1 - 74"x 148" Argon - Roll to Sheet 5-Color In-line
- 1 - 62" x 102" Thieme 5/Color In-line
- 1 - 62"x 84" CMS - 5-Color In-line Fully Automatic
- 1 - 20"x 27" Automatic Sakurai Cylinder Press
- 2 - 32"x 45" 2-Color Automatic Sakurai Cylinder Press
- 2 - 48"x 66" Automatic Sakurai Cylinder Presses
- 6 - 52"x 84" M & R Flat Bed Presses
- 4 - 52"x 148" M & R Flat Bed Long-Stroke Presses

COYLE DISPLAY

The Display Division is a complete resource providing design, prototyping, production and installation of all types of retail displays. From the simplest gondola to a complete retail store installation, the Coyle Display Division does it all. Our design capability includes the use of the latest virtual reality software utilized in the conceptual design and prototyping stage of new displays and retail programs. From the computer to the shop, we employ a wide range of equipment, machinery and expertise to create the actual display.

Our shop equipment includes three large hydraulic press brakes, a ten foot Amada sheet metal shear, numerous welding stations, metal forming equipment, on-site powder coating and packing facilities.

COYLE FULFILLMENT

The Fulfillment Division provides complete assembly; packaging and shipping services, from one-time rollouts to warehousing for pick and pack orders. This division is operated from a facility separate from our manufacturing operations.

DIE-CUTTING

- 2 - 44" x 66" Thompson Die-Cutters
- 1 - 28" x 41" Thompson Die-Cutter
- 1 - 30" x 42" Automatic Bobst Die-Cutter
- 1 - 66" x 120" i-Cut
- Complete In-House Die Making Facility

FINISHING

- 1 - Fotoba XL TJOL 80" x/y axis cutter
- 12 - Sewing Machines
- 2 - Automatic Grommet Machines
- 1 - Automatic Banner Roller
- 2 - 60" Hot & Cold Laminator
- 1 - 3M 30" Automatic Tape Machine
- 5 - Sheer Cutters, 47" to 126"
- 1 - Automatic Small Parts Bagger
- Shrink Wrapping Capabilities
- Spiral Binding Equipment

FULFILLMENT & LOGISTICS

- Complete Fulfillment and Warehousing
- Commercial Delivery Fleet
- Logistics Coordinating
